DESCOMNETS SAVES THE DAY

PONS RACER ONLY FAVORITE TO SCORE AT MONCRIEF PARK.

Aspirin Beats White Wool in Feature Race of Card -Two Horses Change Hands After Final Race-New Layers in Line.

Jacksonville, Fla., March 9.—Pleasant weather and a well-balanced card proved a great magnet for local race-goers today and another big crowd witnessed the sport at Moncrief Park. The fields in all six of the races were well matched and the task of picking the winners was a difficult one. Descomnets, the only winning favorite, scored over Ella Bryson by a nose in the third race, a seven-eighths allowance affair. The finish in this race was exceedingly close, the first three fighting it out throughout the homestretch, with the winner in doubt until the official placing was displayed.

Aspirin won the mile feature race, in which he beat the good three-year-old, White Wool, by a couple of lengths. The latter was an odds-on favorite and was heavily supported, but was driving to the utmost to beat Leamence a neck for second place. The two-year-old race went to Arany, which beat Grif by a length and a half. The latter probably would have won had he escaped interference on the homestretch, where he was sharply cut off and knocked back.

The only run-up of the afternoon came after Casque beat Wander half a length in the closing dash. He was boosted \$400 over his entered price of \$500 by Sam Louis and was retained by his owner. J. W. Schorr retailaited by claiming Wander for \$25. Dress Parade II., a starter in the same race, was claimed by F. Barlow for \$825. Mr. Barlow was represented in the race by Grecian Bend.

Three new books cut in today, the recruits to the ring being Jack Atkin, Mose Raphael and Gene Austin. George North, George Kleinman and Harry Haines dropped off. It was the first time that Mr. North had been out of line since the opening day of the meeting.

North had been out of line since the opening day of the meeting.

Ali Red, one of the starfers in the third race, ran in the name of P. S. P. Randolph. He recently purchased the horse of George Land.

W. C. Pariner was a pistor at Moncrief this afternoon. Mr. Pariner spent a few months with his partner, George M. Hendrie, at their shooting lodge at Long Key, Fla. He came from Havana.

Mr. Hendrie ran over to Jamaica before returning north.

north.

Jockey Byrne's apprentice allowance for outsiders expired when he won with Detect in the closing race yesterday.

The association announced that March 21 has been set aside as the next ladies day. Two novelty races will be featured on that occasion.

W. O. Scully has shipped his horses to Benning to rest until the meeting at Pimlico. James Rowe's Lahore has contracted a slight attack of skin disease. He probably will not be sent to the post again until the running of the American Derby April

DON DOMO AGAIN UNDER COLORS.

The "Gray Ghost" Shows Some of His Old-Time Speed at Juarez and Is Heartily Cheered.

El Paso, Tex., March 9.—An attractive card and ideal racing weather drew a goodly throng to Terrazas Park today. The various races were well contested throughout and the public had a shade the better of the argument with the layers at the close of the afternoon's sport. The fourth race was the most pretentious and at post time J. H. Meade's consistent Chapultepec was held a strong favorite. He fully justified the confidence of his backers by winning with plenty to spare. A secondary feature of the day's racing was the appearance of Don Domo, the "gray ghost," which has been in retirement since 1908, when he last started at Scattle. He was brought here by Mose Newman to be used as a saddle pony, but after his arrival he showed such speed that he was again put in training. The old fellow was lustily cheered as he paraded to the post, and when he assumed the lead on the backstretch the occupants of the grandstand applauded his effort heartily. He ran a good, game, race for a first start and when properly placed will probably give a good account of himself in future racing.

John Louis, claimed yesterday by F. W. Doss, owner of Buckthorn, was sold today to J. H. Meade. M. C. Pritchard is branching out quite extensively as a purchaser of thoroughbreds, having acquired today from Barney Schreiber the good four-yéar-old horse. Vreeland, for the reported price of \$4,000, and Double F. from J. Johnston.

Jackeys Nolan, Rice and Kennedy accounted for the card today, each winning two races.

JAMESTOWN ACCOMMODATIONS IN DEMAND.

Norfolk, Va., March 9.—Flooded with applications from racing owners all over America. Canada and Mexico, all of them eager to enter their stables for the meeting which opens at the Jamestown Jockey Club track April 5, Manager Bob Levy is trying to figure how he can accommodate even a majority of them. "I am certain that at least one-third of the owners who want to race at Jamestown with not be able to find accommodations for their horses," says Mr. Levy. "I am trying to have more stalls built, at the track, but even with these I cannot begin to accommodate; all who desire to come. The meeting next month promises to be the greatest this section has ever known. While the meeting last November was a distinct success, the coming meeting will eclipse it in every way. Thousands of owners and horse lovers from all sections of the country will be here. There will be no racing any; where in the United States, Canada or Mexico during the local meeting from April 5 to 26. That fact alone is sufficient to draw the devotees of the horse from all over the country. The hotels are making extensive preparations to take care of the great influx of visitors expected.

"The racing will receive the endorsement of all leading business organizations and with an unusual amount of enthusiasm displayed by local horse lovers, the meeting has every assurance of being a big success for all concerned."

Manager Levy is arranging for special feature days during the meeting has every assurance of being a big success for all concerned."

There are at present fifty or more horses at the track, and from now on shipments will be arriving every day. In addition to the large number of applications previously received, Manager Levy yesterday received the following from Jacksonvillie. T. Burns, 4 horses; W. P. Austin, 10; N. K. Beal, S. S. Louis, and J. Burttschell, 10; E. F. Cooney, 4; C. F. Clark, 2; C. H. Davids, 4; N. B. Davis, 5; M. Dooley, 4; James Fitzsimnonus, 11; P. J. Fox, 3; J. Miller, 2; W. Blaids, 7; A. Simons, 17; W. C. NOTES OF THE TURF.

The veteran steeplechaser, Grandpa, will train successfully again this season according to Silas Veitch.

The Prix Arthur O'Connor, a steeplechase of \$2,000, distance two miles, five furlongs, was won at Autueil, France, yesterday, by Thomas Hitchcock, Jr.'s Stokes.

T. S. Clibborn, for thirty-seven years secretary of the Australian Jockey Club, is dead. He was an Irishman, a mechanical engineer by profession, and a sportsman by instinct. He owned, rode and raced horses and was interested in most of the pastimes of the outdoor world.

of the outdoor world.

C. G. Assheton-Smith, owner of the two crack Grand National Steeplechase candidates, Jerry M. and Cackler, told an interviewer: "I do not bet, and pay no attention to betting. The two horses are both deing well now, and if they keep so they will both run, Harry Beasley riding Cackler and Driscoll, Jerry M. Many things, of course, though, may happen in the meantime. The two have never been together, and though Jerry M. has a pound more weight than I expected, I waive that, and should like them to come together for the first time in the Grand National."

In spite of a general protest, from English broad.

in the Grand National."

In spite of a general protest from English breeders and owners against the importation of American thoroughbreds, the stewards of the English Jockey Club have decided to take no action. Numerous breeders expressed the opinion that the English racing stock might be contaminated by the frequent arrivals of horses from this country and that the Sind Book would soon be turned upside down by the infusion of American blood. The Jockey Club stewards, after looking into the matter, reached the conclusion that an excessive number of such importations could not be expected this year, inasmuch as they believed racing in this country would be revived.

PENSACOLA MEETING IS ASSURED.

Tampa, Fla., March 9.—Algronel returned to winning form this afternoon. His victory was foreshadowed in the betting, as he was backed from 6 to 1 to 5 to 2. Glipian's victory in the closing dash enabled the layers to offset previous losses on the day. The first three races went to favorites. Rumors are again in circulation of a prospective continuance of racing here for at least another week, but Secretary Smith has only been instructed to frame conditions for three days next week. As a matter of fact, the plans of those most interested are not clearly defined. The Pensacola meeting is assured, but the opening date will not be announced until next week. There is some opposition to an opening at Pensacola prior to April 1, but it is almost certain that March 25 will witness the beginning of the meeting. Over 200 horses have been pledged from here to engage in the racing at the weeks of the sport, with a probable extension.

Carthage and Trait were shipped today to Jacksonville.

Aspirin Beats White Wool in Feature Race of Card -Two Horses Change Hands After Final Race-New Layers in Line.

Jacksonville, Fla., March 9.—Pleasant weather and a well-balanced card proved a great magnet for local race-goers today and another big crowd witnessed the sport at Monerief Park. The fields in all six of the races were well matched and the task of picking the winners was a difficult one. Descommets, the only winning favorite, scored over Elia Bryson by a nose in the third race, a seven-eighths allowance affair. The finish in this race was exceedingly close, the first three fighting it out throughout the homestretch, with the winner in doubt until the official placing was displayed.

Aspirin won the mile feature race, in which he beat the good three-year-old, White Wool, by a couple of lengths. The latter was an odds-on favorite and was heavily supported, but was driving to the homestretch. The two-year-old race went to Arany, which beat Grif by a length and a half. The latter probably would have won had he escaped interference on the homestretch, where he was sharply cut off and knocked back.

The only run-up of the afternoon came after Casque beat Wander half a length in the closing dash. He was boosted \$400 over his entered price of \$500 by Sam Louis and was retained by his owner. J. W. Schorr retaliated by claiming Wander for \$825. Dress Parade II., a starter in the same race, was claimed by F. Barlow for \$825. Mr. Barlow was represented in the race by Grecian Bend.

Three new books cut in today, the recruits to the ring being Jack Atkin, Mose Raphael and Gene Austin. George North, George Kleinman and Harry Haines dropped off. It was the first time that Mr. North had been out of line since the opening day of the meeting.

Ali Red, one of the starters in the third race, ran in the name of P. S. P. Randolph, He recently purchased the horse of George Land.

W. C. Parmer was a yisitor at Moncrief this afternoon. Mr. Parmer spent a few months with his partner, George M. Hendrie, at their shooting lodge at Long Key, Fla. He came from Havana. Mr. Hendrie ran over to Jamaica before returning lodge at Long Key, Fla.

Mr. Hendrie ran over to Jamaica before returning north.

Jockey Byrne's apprentice allowance for outsiders expired when he won with Detect in the closing race experday.

The association announced that March 21 has been set aside as the next ladies day. Two novelty races will be featured on that occasion.

W. O. Scully has shipped his horses to Benning to rest until the meeting at Pimlico. James Rowe's Lahore has contracted a slight attack of skin disease. He probably will not be sent to the post again until the running of the American Derby April 1.

DON DOMO AGAIN UNDER COLORS.

The "Gray Ghost" Shows Some of His Old-Time Speed at Juarez and Is Heartily Cheered.

El Paso, Tex., March 9.—An attractive card and ideal racing weather drew a goodly throng to Terrazas Park today. The various races were well contested throughout and the public had a shade the better of the argument with the layers at the close of the afternoon's sport. The fourth race was the most pretentious and at post time J. H. Meade's consistent Chapultepec was held a strong favorite. He fully justified the confidence of his backers by winning with plenty to spare. A secondary feature of the day's racing was the appearance of Don Domo, the "gray ghost," which has been in retirement since 1908, when he last started at Seattle. He was brought here by Mose Newman to be used as a saddle pony, but after his arrival he showed such speed that he was again put in training. The old fellow was lustily cheered as he paraded to the post, and when he assumed the lead on the back-stretch the occupants of the grandstand applauded his effort heartily. He ran a good, game, race for a first start and when properly placed will probably give a good account of hinself in turner racing.

John Louis, claimed yesterday by F. W. Doss, owner of Buckthorn, was sold today to J. H. Meade, M. C. Pritchard is branching out quite extensively as a purchaser of thoroughbreds, having acquired today from Barney Schreiber the good four-year-old horse. Vreeland, for the reported price of \$4,000, and Double F. from J. Johnston.

Jokeys Nolan, Rice and Kennedy accounted for the card today, each winning two races.

JAMESTOWN ACCOMMODATIONS IN DEMAND.

Norfolk, Va., March 9.—Flooded with applications from racing owners all over America, Canada and Mexico, all of them eager to enter their stables for the meeting which opens at the Jamestown Jockey Club track April 5, Manager Bob Levy is trying to figure how he can accommodate even a majority of them. "I am certain that at least one-third of the owners who want to race at Jamestown will not be able to find accommodations for their horses," says Mr. Levy. "I am trying to have more stalls built, at the track, but even with these I cannot begin to accommodate; all who desire to come. The meeting next month promises to be the greatest this section has ever known. While the meeting last November was a distinct success, the coming upering will eclipse it in every way. Thousands of owners and horse lovers from all sections of the country will be here. There will be no racing anywhere in the United States, Canadar or Mexico during the local meeting from April 5 to 26. That fact alone is sufficient to draw the devotees of the horse from all over the country. The hotels are making extensive preparations to take care of the great influx of visitors expected.

"The racing will receive the endorsement of all leading business organizations and with an unusual amount of eathusiasm displayed by local horse lovers, the meeting has every assurance of being a big success for all concerned."

Manager Levy is arranging for special feature days during the meeting. There will be several ladies' days and a charity day. A big portion of the receipts taken in on one day during the meeting will be donated to some charitable institution or organization.

There are at present fifty or more horses at the track, and from now on shipments will be arriving every day. In addition to the large number of applications previously received, Manager Levy seterday received the following from Jacksonville: T. Burns, 4 horses; W. P. Austin, 10; N. K. Beal, S. S. Louis, and J. Buritschell, 10; E. F. Cone, 3; J. E. Nash, 3; H. Penny, 7; E. Peters, 6; H. R

NOTES OF THE TURF.

The veteran ste-successfully again Veitch.

The Prix Arthur O'Connor, a steeplechase of \$2,000, distance two miles, five furlongs, was won at Autueil, France, yesterday, by Thomas Hitchcock, Jr.'s Stokes.

r. s Notes.

T. S. Clibborn, for thirty-seven years secretary f the Australian Jockey Club, is dead. He was an ishman, a mechanical engineer by profession, and sportsman by instinct. He owned, rode and raced orses and was interested in most of the pastimes f the outdoor world.

of the outdoor world.
C. G. Asshefon-Smith, owner of the two crack
Grand National Steeplechase candidates, Jerry M.
and Cackler, told an interviewer: "I do not bet,
and pay no attention to betting. The two horses
are both deing well now, and if they keep so they
will both run, Harry Beasley riding Cackler and
Driscoll, Jerry M. Many things, of course, though,
may happen in the meantime. The two have never
been together, and though Jerry M. has a pound
more weight than I expected, I waive that, and
should like them to come together for the first time
in the Grand National."

in the Grand National."

In spite of a general protest from English breeders and owners against the importation of American thoroughbreds, the stewards of the English Jockey Club have decided to take no action. Numerous breeders expressed the opinion that the English racing stock might be contaminated by the frequent arrivals of horses from this country and that the Stud Book would soon be turned upside down by the infusion of American blood. The Jockey Club stewards, after looking into the matter, reached the conclusion that an excessive number of such importations could not be expected this year, inasmuch as they believed racing in this country would be revived.

PENSACOLA MEETING IS ASSURED.

Tampa, Fla., March 9.—Algronel returned to winning form this afternoon. His victory was foreshadowed in the betting, as he was backed from 6 to 1 to 5 to 2. Hipian's victory in the closing dash enabled the layers to offset previous losses on the day. The first three races went to favorites. Rumors are again in circulation of a prospective continuance of racing here for at least another week, but Secretary Smith has only been instructed to frame conditions for three days next week. As a matter of fact, the plans of those most interested are not clearly defined. The Pensacola meeting is assured, but the opening date will not be announced until next week. There is some opposition to an opening at Pensacola prior to Aprill 1, but it is almost certain that March 25 will witness the beginning of the meeting. Over 200 horses have been pledged from here to engage in the racing at the weeks of the sport, with a probable extension.

Carthage and Trait were shipped today to Jacksonville.
